Quaedam in celebratione Missae observanda.

1. Missa Votiva solemnis pro re gravi esse potest de Ss. Trinitate, de Spiritu Sancto, nec non pro quacumque necessitate, ut in fine Missalis. Res gravis, ob quam licet Missam illam decantare, praesto est, quando implorandum sit divinum auxilium in urgenti aliqua necessitate, aut gratiae agendae pro beneficiis obtentis. Haec gravis causa semper approbanda est ab Ordinario loci. — In hac Missa dicitur unica oratio, addita sub una conclusione oratione *Deus, cuius misericordiae* in Missa pro gratiarum actione; sumuntur *Gloria* et *Credo*, nisi Missa celebratur in colore violaceo; *Credo* autem semper sumitur in Dominicis, etiamsi color violaceus adhibendus sit; tandem Praefatio propria, si adsit, sumitur, et in fine Ev. S. Joannis. — Huiusmodi Missa Votiva solemnis prohibetur: in Dominicis I classis; in duplicibus I classis; Feria IV. Cinerum; tota Maiori Hebdomada; in Vigiliis Nativitatis et Pentecostes. Istis diebus impeditis in Missa solemnni de die additur oratio Missae Votivae sub una conclusione cum prima oratione, quamvis alia commemoratione fieri debeat.

2. Missae Votivae privatae legi possunt arbitrio sacerdotum, quandocumque Officium non est duplex, aut Dominica; prohibentur tamen — infra Octavas: Nativitatis Dni, Epiphaniae, Paschatis, Ascensionis, Pentecostes et Corporis Christi, toto tempore Quadragesimae, in Feriis Quattuor Temporum, Feria 2 Rogationum, in Vigiliis, in Feriis, in quibus anticipanda vel reponenda est Missa Dominicae, in Commemoratione OO. Fidel. Defunctorum, Fer. 3 Rogationum, si fiat processio, in ecclesiis unam tantum Missam habentibus. — Haec Missa Votiva dici potest de quolibet relato in Sanctorum Canonem, nempe de quolibet Sancto, cuius memoria fit in Breviario, aut in Martyrologio. Dici vero non potest de Beatis, illis exceptis, de qui-

bus Officium concessum est, nec de Tempore, nec de Mysteriis, si modo excipias Missas de SS. Trinitate, de Spiritu Sancto, de SS. Sacramento, de SS. Corde Jesu, de Cruce et de Pass. — Quoad Missas Votivas BMV., legi tantum potest una e quinque, quae habentur in Missali, iuxta temporum qualitatem; itemque Missa Septem Dolor. BMV. et de Immaculata Conceptione. Missa Votiva de Sanctis sumitur de Communione, nisi habeatur propria, mutatis tamen in utroque casu mutandis, prout qualitas temporis exigit. Missa huiusmodi ordinatur iuxta *Tabellam*, quae supra, pag. VII., posita est.

3. **Missa solemnis de festo transferendo**, aut simplificando aut accidentaliter omittendo, quod cum populi concursu celebratur, prohibetur: in Dominictis I. classis, Feria IV. Cinerum, tota Maiori Hebdomada, Feriis 2 et 3 infra Octavam Paschatis, Feriis 2 et 3 infra Octavam Pentecostes, in Festis Nativitatis Domini, Epiphaniae, Ascensionis et Corporis Christi. — Haec Missa celebratur cum *Gloria* et *Credo*, et cum Praefatione propria, si adsit. In ea adduntur commemorationes de Officio currenti aliaque omnes, quae dicendae essent, si Festum ea die celebraretur. — Quod si duae celebrarentur Missae solennes, seu conventuales, nempe una de officio currenti, alia de Festo transferendo, aut simplificando, aut omittendo, in hac secunda Missa unica tantum dicitur oratio, exclusa quacumque commemoratione, et in eius fine dicitur Evang. S. Joannis: *In principio.*

4. **Missa Votiva pro Sponsis tempore**, quo Nuptiarum Solemnitas permittitur, ordinatur sequenti modo: Missa dicitur sine *Gloria* et sine *Credo*, cum *Benedicamus D-no* in fine et Evang. S. Joannis aut Vig., vel Feriae, si de ea facta sit commemorationis; tres dicuntur orationes; si vero celebretur in Festo ritus duplicis, fiunt tantum commemorationes occurrentes et omittitur tertia oratio de tempore. — Haec Missa prohibetur: diebus Dominicis et festivis, etiam supressis; in duplicibus I. et II. classis; in Vigilia Pentecostes et Corporis Christi; in Commemoratione Oo. Fidel. Def.; diebus Rogationum, si fiat Processio, in Ecclesiis Parochialibus, unam tantum Missam ha-

bentibus.' — Diebus, ut supra impeditis legitur Missa de die cum commemoratione pro sponsis post orationes, a Rubrica praescriptas; ac post *Pater noster* et ante Benedictionem orationes praefatae Missae propriae recitantur, praeterquam in Com-memor. Oo. Fid. Def., in qua et Missa et commemoratione pro Sponsis prohibetur.

5. De Missis Defunctorum: a) *Missa solemnis vel cum cantu de Requie die vel pro die obitus*, aut depositionis, praesente, insepolto, vel etiam sepulto, non ultra biduum, cadavere, prohibetur: in Festis — Nativitatis D-ni, Epiphaniae, Paschatis, Ascensionis, Pentecostes, Ss. Trinitatis et Corporis Christi, Conceptionis Immacul. et Assumptionis BMV., Nativitatis S. Joannis Bapt., S. Joseph Sp. BMV., Ss. Ap. Petri et Pauli, Oo. Ss., Patroni Loci, Dedic. ac Titul. Eccl., in Dominica, in quam transfertur Solemnitas externa Ss. Corporis Christi aut Patroni principalis Loci, in ultimo triduo Maior. Hebd.; durante expositione sol. Ss. Sacramenti, diebus Dominicis ac Festivis, etiam suppressis, necnon diebus S. Marci et Rogationum, si fiat processio, itemque Feria IV. Cinerum et Vigilia Pentecostes, si fieri debeat Cinerum aut Fontis benedictio in Ecclesiis Parochialibus unam tantum Missam habentibus. — Si haec Missa praefatis diebus sit impedita, cantari potest pro prima tantum vice post obitum, vel eius acceptum nuntium, prima die libera a Festis duplicibus I. aut II. classis, et a Dominicis vel Festis de praecepto, etiam suppressis; prohibetur tamen: in Vigiliis Nativ. D-ni, Epiphaniae et Pentecostes, infra Octavas Epiphaniae, Paschatis, Pentecostes et Corporis Christi Feria IV. Cinerum, tota Maiori Hebdomada. — *Pro paupere defuneto* permittitur Missa exequialis lecta, sub iisdem clausulis et conditionibus, quibus praefata Missa exequialis cum cantu conceditur.

b) *Missa solemnis vel cum cantu de Requie die 3, 7 vel 30 et Anniversario ab obitu, aut depositione, vel alia die a testatoribus determinata*, prohibetur: in Dominicis et Festis de praecerto, etiam suppressis, in duplicibus I. et II. classis, in Vigiliis, Nativit. D-ni, Epiphaniae, et Pentecostes, infra Octavas Nativit.

D-ni, Epiphaniae, Paschatis, Ascensionis, Pentecostes et Corporis Christi, Feria IV. Cinerum, tota Maiori Hebdomada, durante expositione sol. Ss. Sacramenti, diebus Rogationum (si fiat processio, in Ecclesiis parochialibus, unam tantum Missam habentibus). — Si haec Missa praefatis diebus sit impedita, anticipari, vel transferri potest ad primam diem a praedictis impedimentis liberam. — In duplicibus minoribus, exceptis diebus supra memoratis, celebrari possunt Anniversaria late sumpta (quamvis a die obitus non sint), quae a Capitulis, Communitatibus, Confraternitatibus, aliisque piis Sodalitiis pro Confratribus defunctis semel in anno solent celebrari. Item *infra Octavam Oo. Fidel. Def.* Anniversaria late sumpta pro fidelium pietate celebrari possunt.

c) *Missae privatae Defunctorum die vel pro die obitus, aut depositionis, praesente, insepolto, vel etiam sepulto, non ultra biduum, cadavere, prohibentur:* in duplicibus I. et II. classis; in Dominicis et Festis de pracepto, etiam suppressis; in Vigiliis Nativ. Dni, Epiphaniae et Pentecostes, die Octava Epiphaniae et Corporis Christi; *infra Octavas Paschatis et Pentecostes;* Feria IV. Cinerum, tota Maiori Hebdomada, durante expositione sol. SS. Sacram. — Huiusmodi Missae privatae debent applicari pro defuncto, cuius cadaver sit physice vel moraliter praesens; item non permittuntur in Ecclesiis aut Oratoriis publicis, nisi eadem die fiat pro eodem defuncto funus cum Missa exequiali. — Quoad Oratoria privata, Missae legi possunt de requie omnibus et singulis diebus superius non exceptis, ab obitu usque ad sepulturam, dummodo cadaver sit adhuc physice praesens in domo. — Quoad vero Ecclesias vel publica oratoria Seminariorum, vel Collegiorum et Religiosarum Communatum, Missae privatae legi possunt semel tantum, in una ex tribus diebus, ab obitu usque ad sepulturam decurrentibus.

d) Aliae *Missae Votivae privatae pro Defunctis* celebrari possunt quandcumque Officium non est duplex, aut Dominica; *prohibentur* tamen: *infra Octavas Nativit. Dni, Epiphaniae, Paschatis, Ascensionis, Pentecostes et Corporis Christi, Feria*

IV. Cinerum; tota Maiori Hebdomada; toto Quadragesimae tempore, excepta in unaquaque hebdomada prima die libera a festo ritus duplicis, in feriis Quattuor Temporum, in feria II. Rogationum, in Vigiliis, in Feriis, in quibus anticipanda vel primo reponenda est Missa Dominicae; durante expositione sol. SS. Sacramenti: Feria III. Rogationum, (si fiat processio, in Ecclesiis unam tantum Missam habentibus). — In Ecclesiis vel sacellis *sepulchreti* Missam de Requie quocumque die dicere licet, exceptis tantum: Festis duplicibus I. aut II. classis; Dominicis ac Festis de pracepto, etiam suppressis; Feriis, Vigiliis et Octavis privilegiatis.

e) *Missae de Requie (Quotidianae) solemnes vel cum cantu* celebrari possunt, quandocumque Officium non est duplex aut Dominica; prohibentur tamen: infra Octavas Nativit. D-ni, Epiphaniae, Paschatis, Ascensionis, Pentecostes et Corporis Christi, in Vigiliis Nativit. D-ni, Epiphaniae et Pentecostes; **Feria IV. Cinerum**; tota Maiori Hebdomada; durante expositione sol. SS. Sacram., diebus Rogationum, si fiat processio, in Ecclesiis unam tantum Missam habentibus.

6. **Collectae in Missa** ab Ordinario *imperatae*, prohibentur: in duplicibus I. et II. classis, in Dominicis I. et II. classis, in Vigiliis Nativitatis et Pentecostes, infra Octavas Nativitatis D-ni, Epiphaniae, Paschatis, Ascensionis, Pentecostes et Corporis Christi; quando orationes a Rubrica praescriptae ternarium numerum superant, etiam tunc, quando ad tres orationes, a Rubrica praescr., additur or. de Ss. Sacram.

7. **Commemoratio de SS. Sacramento fieri debet:** in omni Missa cantata ad altare, in quo expositum est SS Sacramentum; in Missis etiam privatis, in quolibet altari celebratis, quando SS. Sacramentum expositum est pro orat. 40 horarum, vel in Missa, in qua consecratur hostia pro expositione mox secutura, exceptis festis dupl. I. et II. classis, Dom. Palm., Vigiliis, Nativ. D-ni et Pentec. Fieri potest: in Missis privatis ad altare expositionis et in oo. Missis ad alia altaria celebratis, si excipias festa I. et II. classis etc. ut supra. Praeter casus enumeratos, omittenda est haec commemoratio, si SS. Sacram. exponatur.

ob causam aliquam privatam, v. g. ob infirmitatem alicuius personae priv., etiamsi Missa cantetur, aut legatur ad altare expositionis. — Haec. commemor. *omitti etiam debet ob identitatem mysterii* in Missis de Passione, de Cruce, de Ss. Corde Jesu, ac Pretiosissimo Sanguine. — Commemoratio de Ss. Sacram. semper facienda est post omnes commemorationes speciales et etiam communes seu temporales (e. gr. *A cunctis vel de Beata*), quae secundo et tertio loco dicendae praescribuntur, sed ante orationes imperatas et votivas, a Celebrante ex devotione in votivis et diebus simplicibus ac ferialibus adjunctas. Semper fieri debet sub altera conclusione, exceptis duplicibus I. et II. classis, in quibus fit sub unica conclusione; nisi alia commemoratio sub distincta conclusione sit facienda.

8. De Missa celebranda ad libitum in quibusdam Feriis, Vigiliis et Festis. Quando in Festis duplicibus aut semiduplicibus permittitur Missa privata de Feria aut Vigilia (quod in Ordine signatur per — *vel Mis.*) haec Missa dicitur in colore violaceo (praeterquam in Vigiliis Epiphaniae et Ascensionis, in quibus adhibetur color albus), prout habetur in Proprio de Tempore aut Sanctorum. — In hac Missa omittitur *Gloria in excelsis* (praeterquam in Vigiliis Epiphaniae et Ascensionis) et *Credo* (praeterquam in Vigilia Epiphaniae, si in Dominica occurrit). — In Festis duplicibus dicuntur tantum duae orationes, nempe: 1-a Feriae aut Vigiliae, 2-a Festi duplicis, de quo recitatum est Officium, 3-a, quae esset in Officio diei commemor. vel Octavae. — In Festis semiduplicibus tres dicuntur Orationes, nempe: 1-a Feriae, aut Vigiliae, 2-a Festi semiduplicis, de quo recitatum est Officium, 3-a, quae secundo loco praescribitur in Missa de Feria aut Vigilia, nisi pariter aliqua commemorationis facta sit in Officio diei, quae similiter huic Missae adjungenda est. — Praefatio semper legitur propria de Tempore, si habeatur; secus Praef. communis legenda est, nisi quaedam ex commemorationibus exigat Praefationem propriam. — In fine Missae dicitur *Benedicamus Domino* (praeterquam in Vigiliis Epiphaniae et Ascensionis, in quibus dicitur *Ite Missa est*) et semper legitur Evang. S. Joannis. — Quando in aliquo Festo permittitur Missa privata de Festo dupli aut semiduplici sim-

plificato, haec Missa celebranda est ritu festivo, cum secunda oratione de Officio diei et aliis commemorationibus forte occurrentibus.

Quaedam ad cultum Ss. Eucharistiae spectantia.

Tabernaculum, in quo asservatur Ss. Sacramentum, debet esse omni alia re vacuum, nec in eo asservari possunt vasa sacrorum oleorum, vel reliquiae, vel quidquam aliud. Super tabernaculo nunquam flores collocari possunt, nec figura Agni; sola crux excipitur. Intus debet esse panno serico albi coloris decenter contectum, vel etiam pannis aureis vel argenteis, vel etiam intus deauratum tantum.

Clavis tabernaculi nunquam relinquendus est in ostiolo tabernaculi, neque in altari, licet sub panno altaris absconditus, sed conservandus est aliquo tuto loco in sacristia; hoc requirit reverentia Ss. Eucharistiae debita, necnon periculum profanationis.

Conopeum, seu velum ad instar tentorii, quo tabernaculum cooperitur, est obligatorium, neque a conopeo adhibendo excusat consuetudo contraria, quae etsi adsit, servari non potest (*SRC. in Briocen. 21 Jul. 1855 ad 10; 1 Jul. 1904; Rit. Rom. lit. IV, e. l. n. 6*). Potest autem conopeum confici ex panno, sive gossypio, sive lana, sive cannabe contexto; potest esse vel coloris albi, vel eiusdem coloris cuius sunt pallium altaris et cetera paramenta pro temporis festique ratione, praeter colorem nigrum, qui mutatur in colorem violaceum. — In expositione Ss-mi Sacr. conopeum debet semper esse coloris albi.

De Sacris Oleis.

Praeceptum renovandi Olea obligat *sub gravi*. Attamen, si novum Oleum haberi non possit, antiquo uti licitum est, si vero hoc non sufficiat, aliud non consecratum, in minori tamen quantitate, quam vetus, addere fas est. Idque saepius fieri potest, quamvis paulatim longe etiam maior quantitas addatur,

quae ab Episcopo consecrata fuit initio, modo tamen in una-
quaque mixtione minor sit parte, in quam infunditur. Novis ha-
bitis oleis, vetera in ecclesia comburenda sunt. Si quod re-
manserat in ampullis, ponitur in lampadibus ecclesiae ante Ss.
Sacramentum, ut comburatur. Reliquum autem, quod est in cap-
sulis, cum bombyce, igne comburitur et cinis in sacrarium pro-
iicitur. Olea Sacra conservanda sunt in suis vasculis argenteis
vel stanneis, bene obturatis et mundis; in loco honesto, proinde
in ecclesia, vel sacristia et quidem sub clave.

JANUARIUS.

Die holländische Schriftstellerin Catharina van der Hoop ist eine der wenigen, die sich in ihrer Biographie mit dem Thema „Frauen im Krieg“ auseinandergesetzt haben. Sie schreibt darüber, wie sie während des Zweiten Weltkriegs als Teil einer Gruppe von Frauen in einem Lager für gefangene weibliche Soldaten gearbeitet hat. Sie erzählt, dass sie dort versucht hat, den Frauen zu helfen und ihnen zu zeigen, dass sie nicht allein waren. Sie berichtet auch über die Erfahrungen, die sie während dieser Zeit gemacht hat, und wie sie sich nach dem Krieg gefühlt hat. Sie schreibt, dass sie sich sehr darüber aufgefreut hat, wieder mit anderen Frauen zusammenzutreffen und sie zu unterstützen.

Le printemps est arrivé et il apporte avec lui de nombreux changements dans la nature. Les arbres sont en fleur, les oiseaux chantent et les fleurs décorent le paysage. C'est une saison de rebondissement et d'optimisme. Les journées sont plus longues et la lumière est plus douce. Les températures sont agréables, idéales pour sortir et profiter de l'air frais. Les promenades en famille ou entre amis sont devenues courantes, offrant des moments de détente et de plaisir. Les enfants jouent dans les parcs, les adolescents profitent des nombreux événements sociaux et les adultes profitent de la belle météo pour faire du sport ou simplement se reposer dans un coin ombragé. Le printemps est une saison de renouveau, où tout semble possible et tout est possible. C'est une saison de joie et de bonheur, où l'on peut apprécier la beauté de la nature et la force de la vie.

Die ersten Tage des Monats waren von einem sehr starken Regen geprägt, der die Erde so nass und schlammig machte, dass es schwer war, sich auf dem Lande zu bewegen. Die Pflanzen waren durch den Wassereinbruch stark geschädigt. Am 1. Mai begann die Blütezeit der ersten Frühlingsblumen wie der Krokusse und Tulpen. Die Temperaturen stiegen langsam an, was die Entwicklung der Pflanzen und Tiere förderte. Einige Vögel kehrten nach Süden zurück, während andere neue Nistplätze suchten. Die Bienen begannen wieder zu summieren und Pollen zu sammeln. Am 10. Mai wurde ein kleiner Sturm über dem Land, der einige Bäume umwälzte. Die Witterung blieb jedoch im Allgemeinen mild und sonnig. Am 20. Mai waren die ersten Früchte wie Erdbeeren und Brombeeren reif. Die Wildtiere wie Hirsche und Wildschweine wurden häufig gesichtet. Am 30. Mai endete die Blütezeit der Frühlingsblumen, und die Sommerblumen begannen sich zu entwickeln.

Julius, the first month of the year, is derived from the name of the Roman king, Julius, who was the author of the Julian calendar. It is also called Ianuarius, from the name of the Roman goddess Janus, who presided over the gates of the temple of Janus, and was therefore called the guardian of the year. The month consists of 31 days, and begins with the 1st of January. The name of the month is derived from the Latin word *Julius*, which means "of Julius".

The Julian calendar, which was introduced by Julius Caesar in 45 B.C., was based on the solar year, and contained 365 days. It was divided into twelve months, each consisting of 30 or 31 days. The months were named after the Roman gods, and the days of the month were numbered from 1 to 31. The month of January was named after the Roman goddess Janus, who presided over the gates of the temple of Janus, and was therefore called the guardian of the year. The month of February was named after the Roman goddess Februa, who presided over the purification of the temples. The month of March was named after the Roman god Mars, who presided over war. The month of April was named after the Roman goddess Aphrodite, who presided over love and beauty. The month of May was named after the Roman goddess Maia, who presided over the arts and sciences. The month of June was named after the Roman goddess Juno, who presided over marriage and the family. The month of July was named after the Roman god Jove, who presided over the sky and the sun. The month of August was named after the Roman goddess Augusta, who presided over the empire. The month of September was named after the Roman goddess Septimilla, who presided over the harvest. The month of October was named after the Roman goddess Octimilla, who presided over the hunt. The month of November was named after the Roman goddess Novimilla, who presided over the new year. The month of December was named after the Roman goddess Decimilla, who presided over the end of the year.

The Julian calendar was replaced by the Gregorian calendar in 1582, which contains 365.25 days, and is divided into twelve months, each consisting of 30 or 31 days. The months are named after the Roman gods, and the days of the month are numbered from 1 to 31. The month of January is still called January, and the month of February is still called February. The month of March is still called March, and the month of April is still called April. The month of May is still called May, and the month of June is still called June. The month of July is still called July, and the month of August is still called August. The month of September is still called September, and the month of October is still called October. The month of November is still called November, and the month of December is still called December.

Augustus, the first month of the year, was called after the first Roman Emperor, Augustus Caesar. It contained 31 days, and was the second month of the year, according to the Julian calendar. It was the eighth month of the year, according to the Roman calendar, which was used before the Julian calendar. The month was named after the Roman god of strength, Mars. The name "Augustus" was given to the month by the Roman Senate in 8 BC, in honor of the emperor. The month was also known as "August" or "Auggust".

the first week of September, the sun was still in Virgo, and the moon was in Libra. The sun had passed the equator, and was moving southward. The moon was in the same sign as the sun, and was also moving southward. The stars were visible in the sky, and the atmosphere was clear. The weather was warm and pleasant. The days were long, and the nights were short. The leaves on the trees were changing color, and falling off. The birds were singing, and the insects were flying. The flowers were still in bloom, and the grass was green. The water in the streams was flowing, and the air was fresh. The people were out walking, and the children were playing. The animals were grazing, and the birds were nesting. The world was a beautiful place to live in.

There were buildings and trees visible through the window. The lighting in the room was bright, and the overall atmosphere was friendly and welcoming.

Ordo Divini Officii et Missae in festis particularibus

pro anno 1919.

Advertenda quoad festa particularia Titularis cuiusque Ecclesiae.

1. In omnibus Ecclesiis et publicis Oratoriis consecratis, aut solemniter benedictis, relativum Titularis festum quotannis celebrandum est sub ritu dupli I classis cum Octava a toto Clero, ad hanc Ecclesiam pertinente, SC. a Parochio et Vicariis, vel ab Ecclesiae non parochialis Rectore — per integrum Officium et Missam. In Ecclesiis vero proprium Rectorem non habentibus Festum Titularis recolitur per solas Missas, quae celebrantur a Sacerdotibus in eis Sacrum facturis.

2. Quoad Officium et Missam his diebus haec quae sequuntur observanda sunt:

a) **In die Festo.**—**In Officio** omnia, quae non habentur propria, sumuntur de Communi, Psalmis de Dominica adhibitis ad Laudes, ad Horas (ad Primam de festis) minores et ad Completorium.

In *I. Vespere* fit commemoratio de praecedenti, dupli I. aut II. classis, de Feria Adventus aut Quadragesimae, de Octava privilegiata, necnon de occurrenti Dominica et de Vigilia Epiphaniae, non autem de occurrenti Festo dupli maiori, vel minori, aut semiduplici.

Ad *Matutinum*. Lectiones, quae non habentur propriae, sumuntur de Communi. Dicitur tamen 9 lectio de Dominica occurrenti, de Feria Quadragesimae, IV. Temporum, II. Rogationum; non autem de occurrenti Festo dupli maiori, vel minori, aut semiduplici, nec de Vigilia aut festo simplici.

Ad *Laudes* fit commemoratio de Deminica, occurrenti, de Feria Adventus, aut Quadragesimae, de Feria IV. Temporum, de Feria II. Rogationum, de Octavis privilegiatis, ac de occurrenti Festo dupli maiori, vel minori, aut semiduplici, non autem de Vigilia aut festo simplici.

In **II. Vesperis** fit commemoratione de sequenti dupli quocumque aut semiduplici, itemque de Dominica, de Octavis privilegiatis, de Feria Adventus aut Quadragesimae; non autem de sequenti Festo simplici, aut Octava communi, neque de occurrenti Festo dupli maiori, vel minori, aut semiduplici.

In **Missa** fiunt commemorationes ut in Laudibus; sed in **Missa** solemnii omittitur commemoratione de occurrenti Festo dupli maiori, vel minori, aut semiduplici. Dicitur *Gloria* et *Credo* et omittuntur Collectae imperatae. Dicitur Praefatio propria, si habeatur, secus de Tempore, aut de Octava (si Festum occurrat infra aliquam Octavam Praefationem propriam habentem), aut de Trinitate (si occurrat in Dominica); si autem nulla ex his Praefationibus locum habeat, dicitur Praefatio communis. In fine Missae legitur ultimum Evangelium Dominicæ aut Feriae, si ad Matutinum locum habuit de eis 9 lectio.

b) **Diebus infra Octavam** fit *Officium*, ut in *Ordine* notatur, addita commemoratione Octavæ in utrisque Vespere, Laudibus et Missis, nisi sit Festum duplex. I. vel II. classis, et omissis Suffragio et Precibus, quamvis in *Ordine* praescribantur; item in *Missa* additur quotidie *Credo* et Praefatio propria, si habeatur, nisi in *Ordine* Praefatio magis propria indiceatur. Si autem in *Ordine* adnotetur Officium simplex, aut de Feria, aut de S. Maria in Sabbato, Officium agitur de die infra Octavam ritu semiduplici: Antiphonæ et Psalmi ad omnes Horas dicuntur de Feria, occurrenti, ut in Psalterio, reliqua ut in Festo, praeter Lectiones, quae in I. Noct. dicuntur de Scriptura occurrenti cum suis Responsoriis de Tempore, in II. et III. NN. sumuntur ex *Octavario Romano*, vel de alio loco, eiusdem Communis, vel de ipso die Festo. — Si dicenda sit *Missa* de die infra Octavam, ipsa legitur ut in Festo cum 2 or. BMV. pro tempore (cuius loco infra Octavam BMV. 2 or. de Spiritu S.) 3 *Ecclesiæ*. Dicitur quotidie *Credo*, nec non Praefatio propria, si habeatur.

c) **Dominica infra Octavam** fit *Officium*, ut in *Ordine* adnotatur, addita commemoratione Octavæ, ut supra, et omissis Suffragio, Precibus et Symbolo. In *Missa* dicitur tantum 2 or. Octavæ, et alia non additur, nisi adsit aliqua commemratio.

d) **Dies Octava** fit ritu dupli maiori, et non cedit, nisi dupli I. aut II. classis, aut officio Dominicali. Antiphonæ et Psalmi ad omnes Horas et Versus Nocturnorum dicuntur de occurrenti hebdomadae die, ut in Psalterio; reliqua ut in Festo, praeter Lectiones, quae in I. Nocturno dicuntur de Scriptura occur. cum suis Resp. de Tempore; in II. et III. NN. sumuntur ex *Octavario Romano*, vel de alio loco eiusdem Comm., vel de ipso die Festo.
